

5th annual Chainsaw Carving Competition July 18,19,20 &21

Chainsaws and Chuckwagons draws crowds into Downtown Frederick throughout the entire competition as the carvers turn giant logs into wonderful pieces of art! Since Chainsaw Carving Competitions are very rare in this area, it attracts people from all over the region to check out the carvings! In addition to being a fun event, the Town also benefits from the Chainsaws and Chuckwagons event by being able to keep the large carvings for added artwork around Town. Supporting Chainsaws and Chuckwagons allows the event to continue to flourish and helps provide artwork that stays within the town for years to come!
