Board of Trustees 7/1/10

I request that you would lower the monthly lease on the building at 318 4th St.
It would really help if it was 1100.00 a month.
The store hours have changed to 9:00 to 6:00 mon thru sat, so more people can come into shop.
I try to have just nice stuff in my thrift store and thank you for letting me have this good location for it.
I have just the store and social security for income.
