## Town of Frederick Launches App

FOR IMMEDIATE RELEASE – June 1, 2023

(FREDERICK, Colorado) Get ready to elevate your community experience with the launch of FrederickCO, the brand-new mobile application from the Town of Frederick!

The App is aligned with the Town's Strategic Plan to implement new ways to increase accessibility for public engagement through traditional and non-traditional pathways.

As a mobile communication tool, the App offers an all-in-one solution with a wide range of options for our diverse community. With direct access to pay utility bills, streamlined information channels, and location-based services and notifications, you'll always be in the loop, no matter where you are. The Submit a Report feature allows users to directly report potholes, graffiti, and other non-emergency concerns to the Town.

But that's not all! By fostering community involvement and promoting inclusivity, the FrederickCO App helps to cultivate a sense of belonging among residents. It's the perfect way to stay connected while creating a stronger and more unified community.

And the best part? The FrederickCO App is absolutely free and available for download on both Apple and Android App Stores. To learn more about our Town App, please visit our YouTube channel to check out the instructional video [frederickCO.gov/AppDemo](https://frederickCO.gov/AppDemo)

Join us in this exciting new chapter of community engagement and download the FrederickCO App today!

**ABOUT THE TOWN OF FREDERICK** –With its close proximity to the Denver metro area and the Northern Front Range, the Town of Frederick is a dynamic community at the center of commerce, industry and education. Multiple recreational and residential facilities make the Town of Frederick a retreat full of diverse opportunity that continues to respect its heritage as a mining town incorporated in 1907.
