

October Mayor's Message – Town of Frederick

It's that time of year to "FALL" into all the things we love. Whether it's a seasonal pumpkin spice latte or a brisk walk in the park, everything is better in Frederick!

At the heart of Frederick's progress and success is community involvement and I want to invite you to join us in some new and refreshing opportunities!

The Board is excited to host our first **Telephone Town Hall** on October 3, from 6:30 pm to 7:30 pm. This event promises an engaging platform for you to ask questions, gain insights into town initiatives and project updates, and provide your valuable feedback. We understand the importance of listening to our residents, businesses, and visitors, that is why we have organized this convenient Telephone Town Hall, allowing you to participate from the comfort of your own home. Please register your information at frederickco.gov/TTH. We look forward to this community conversation!

Frederick residents, it's time to spruce things up for Fall Clean-Up Days. You may pick up a voucher for a free trip to the landfill to dispose of unwanted items, electronics, and tree limbs.

On Oct 14, as part of **Fall Clean-Up Days**, we'll be rolling up our sleeves and digging in for our first ever **FRA Refresh**. It's an opportunity to volunteer a couple of hours at Frederick Recreation Area (8201 Colorado Blvd.) to support the spirit of community and help maintain our outdoor amenities. Let's join together to keep our parks clean and welcoming! FrederickCO.gov/235/Clean-Up-Days

Coffee with a Cop

Get to know officers that serve your neighborhoods! Join us on Oct 4, between 7 am – 8 am at Cowboy Mountain for a cup of coffee and strengthen the bond between police and community!

On October 21, discover the many tiny frights at this year's **Tiny Terror Town**, our annual Halloween event at Crist Park (105 Fifth Street) FrederickCO.gov/767/Tiny-Terror-Town

Thank you for your commitment to making Frederick the Town that we all love! I hope you also carve out moments for cherished time with loved ones and self-care. October is Emotional Wellness month, a time to disconnect and take time out to rest and recharge!

Mayor Tracie Crites
