How to be a Great Frederick Resident!

Volunteer

We know our residents like to roll up their sleeves to help each other out, so sign up to learn about the different service projects we have. From helping at an event to cleaning up parks, we all work together to keep Frederick great! Sign up to receive volunteer emails at www.FrederickCO. gov/ volunteer.

Vote!

Frederick's municipal elections take place on even years and give you the chance to elect your board of trustees and mayor for four-year terms. Make sure you're registered at govotecolorado. com.

Get to Know the Website

www.FrederickCO.gov is a wonderful resource to learn about the town and provide feedback to us. Hover over the "I Want To" menu to see the most common topics folks want to see. Visit the New Resident Page at www. FrederickCO.gov/NewResident to see all the things a new resident needs to know about moving into Frederick. Let us know what's happening around you with the Submit a Request tool, which is a button on every page you visit. From reporting a street light outage to asking about development projects, it's the best way to ensure your question or request gets to the right department!

Stay Informed

The best way to keep up-to-date with town activities is to sign up for the weekly email newsletter, the Frederick Flash. Sign up at www. FrederickCO.gov/emailupdates. We also highly encourage new residents to sign up for CodeRED which is an emergency notification system. Sign up at www. FrederickCO.gov/ CodeRed.

FREDERICK COLORADO

Built On What Matters
