

## On-Site Noticing

The developer is required to contact a sign company of their choice and purchase and post the necessary signs required by the Land Use Code Section 4.5.7a.

### Sign Location:

- ❖ Signs shall be placed along each abutting street in a manner that makes them clearly visible to neighboring residents and passers-by.
- ❖ At least one (1) sign shall be posted on each street frontage of the subject property.

### Signs Design:

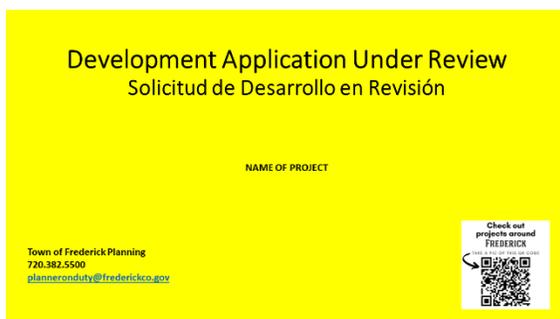

- ❖ All weather material
- ❖ Minimum size of 2'x2'
- ❖ QR code must be 6"x6"
- ❖ A metal T-post must be used to post free-standing signs

### Certification of Property Posting

- ❖ Submit a signed copy of the certification (see below).
- ❖ Submit photo(s) of postings.
- ❖ Submit a vicinity map identifying the location(s) of sign placement.

## Sign Templates

### Administrative Applications

### Major or Minor Applications

## Certificate of Property Posting

I, \_\_\_\_\_, certify that one (1) sign is posted on each street frontage of the  
Print Name  
subject property located at:

\_\_\_\_\_  
Project Address

The signs are posted for the application identified as:

\_\_\_\_\_  
Project Name

The posted signs are compliant with all standards listed in Section 4.5.7 of the Town's Land Use Code and all standards listed in the On-Site Noticing Guide.

I certify (or declare) under penalty of perjury that the foregoing information is true and correct.
