

Frederick Speed Management Program

Petition Form

Street Name: _____

(Where Traffic Calming is Desired)

Registrant Name: _____

Address: _____

First Cross Street Name: _____

Phone: _____

Second Cross Street Name: _____

Email: _____

Registration for the engineering component of the program requires both a completed registration form and this petition. **This form must have signatures from 20 neighbors (1 adult per household) or 30% of households on the same block.** Households must be adjacent to the side of the street where traffic calming is desired, or on one entire block adjacent to an intersection where traffic calming is desired.

By signing this form, we petition the Town of Frederick to analyze and evaluate transportation conditions at the identified location. We recognize that FSMP projects will be developed based on an analysis of conditions and will be prioritized based on scoring criteria outlined in the FSMP Guidelines.

***** Completion of the Petition Process does not guarantee installation of traffic calming measures. *****
